

**BOARD OF GOVERNORS LIAISON ASSIGNMENTS  
STATE BAR COMMITTEES, EXECUTIVE COMMITTEES,  
BOARDS & COMMISSIONS  
2000-2001**

(Appointed by the Board of Governors September 17, 2000)

The current Board policy limits reimbursement to “no more than two liaisons per meeting” and many of the committees on this list have only two members of the Board assigned as liaisons. For those committees that have more than two liaisons, one person should act as a coordinator, to make certain that no more than two Board liaisons travel to any single meeting. In each case, the coordinator’s name has been indicated on the chart in bolded all capital letters.
